

Auto Installation for Legacy and UEFI by PXE server (FULL)

Version 1.0

Version History

| Version | Date | Handled by | Comments |
|---------|-------------|------------|------------------------|
| V1.0 | 11-Nov-2019 | ZL Chen | First version release. |

System Structure:

Precondition Setting:

Please make sure the DUT is connected with PXE Server.

Please follow the implement as below:

Step 1:

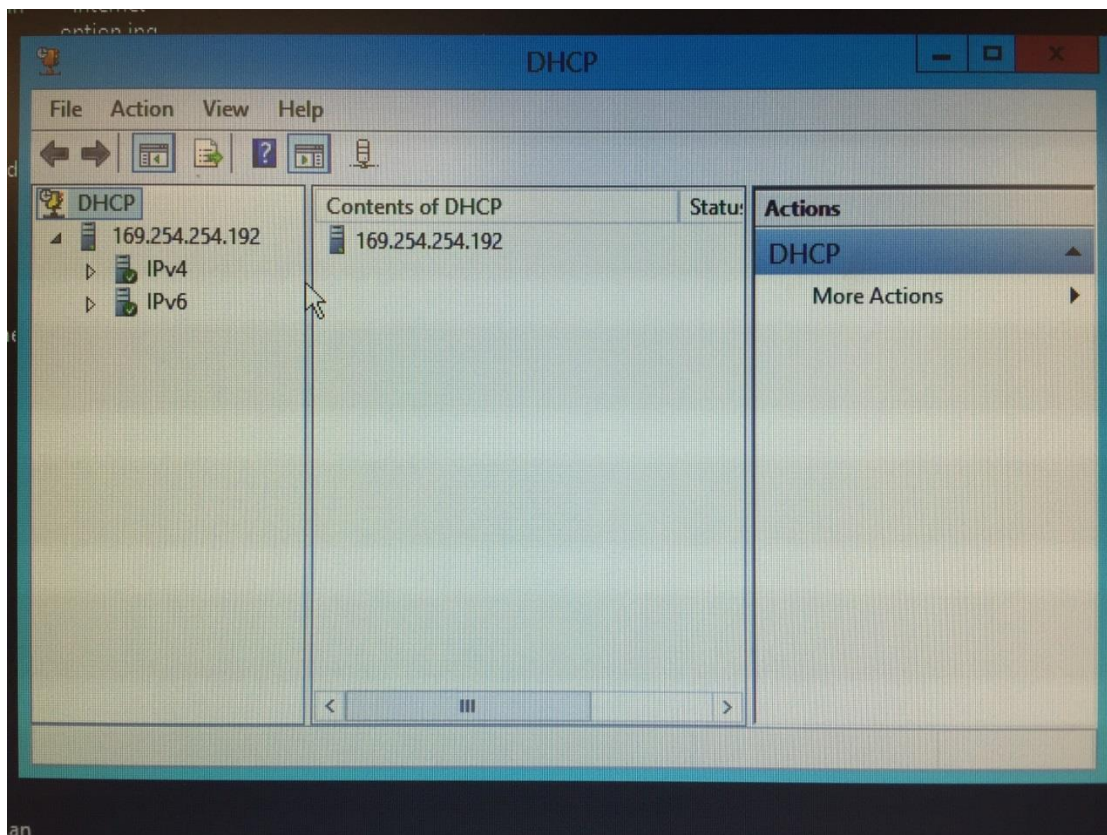

Launch the Windows Server 2012 R2, and select the server you want.

- Windows Server 2012 R2 for UEFI 64 bits
- Windows Server 2012 R2 for Legacy 64 bits
- Windows Server 2012 R2 for Legacy 32 bits

| Windows Server 2012 R2 | BIOS Setting |
|---|--------------|
| Windows Server 2012 R2 for Legacy 64 bits | Legacy |
| Windows Server 2012 R2 for Legacy 32 bits | Legacy |
| Windows Server 2012 R2 for UEFI 64 bits | UEFI |
| Windows Server 2012 R2 for UEFI 64 bits | UEFI |

Please make sure the PXE server and DHCP server are launched.

Step 2:

Launched the DUT's computer, and login to the BIOS.

Make sure the auto installation you want.

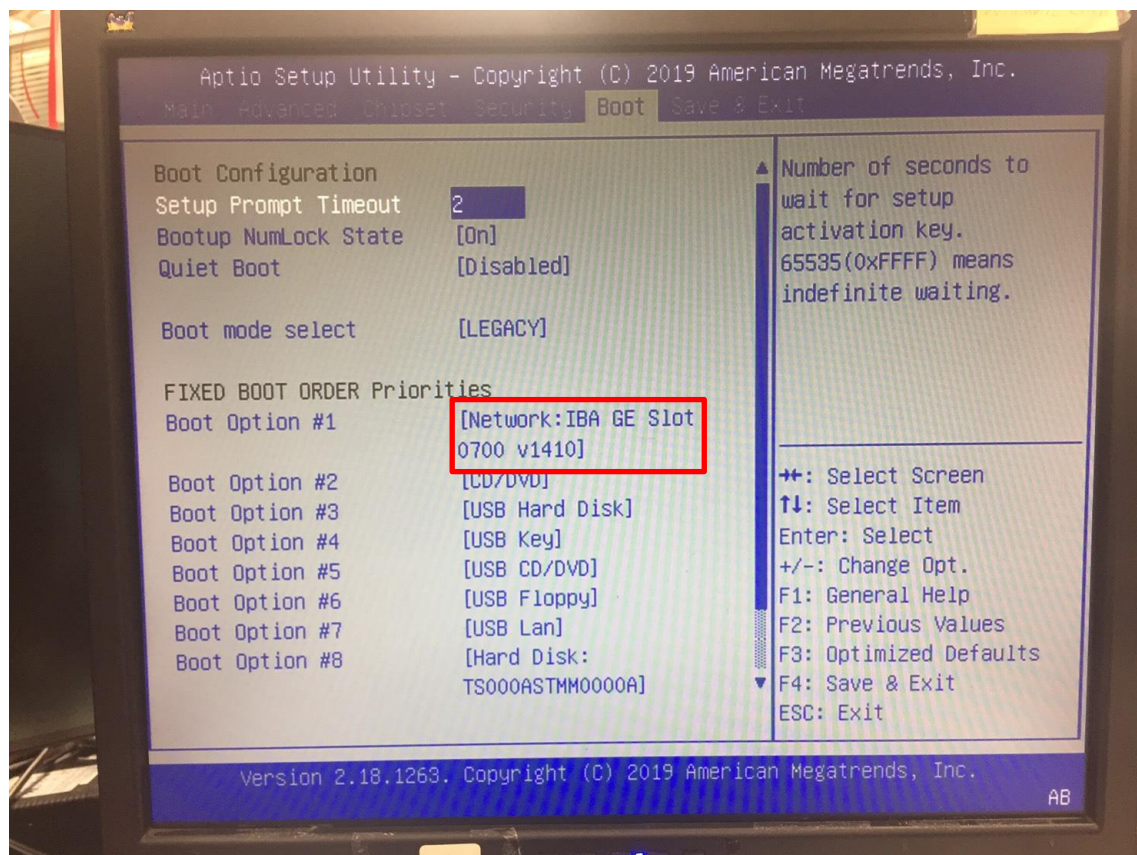

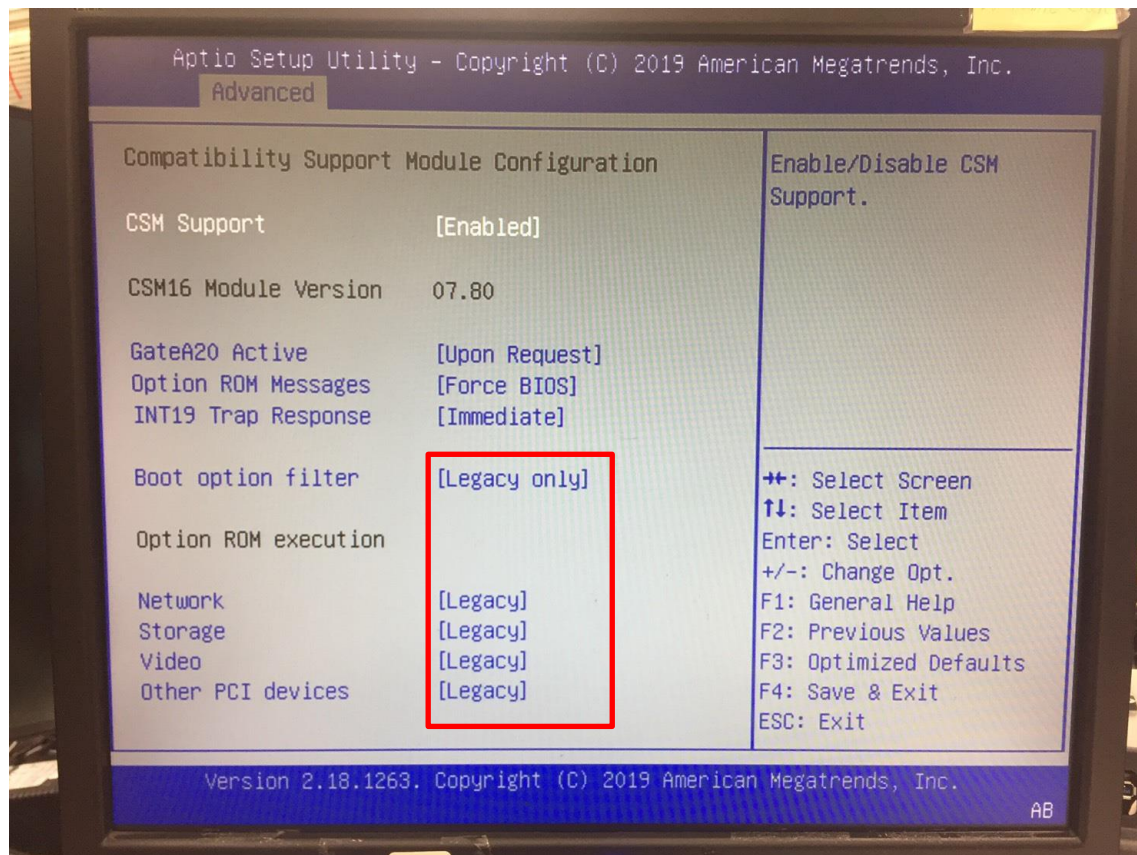

| BIOS Setting | Auto Installation Operation System |
|--------------|------------------------------------|
| Legacy | Windows 10 (64 bit) |
| Legacy | Windows 10 (32 bit) |
| UEFI | Windows 10 by IPv4 (64 bit) |
| UEFI | Windows 10 by IPv6 (64 bit) |

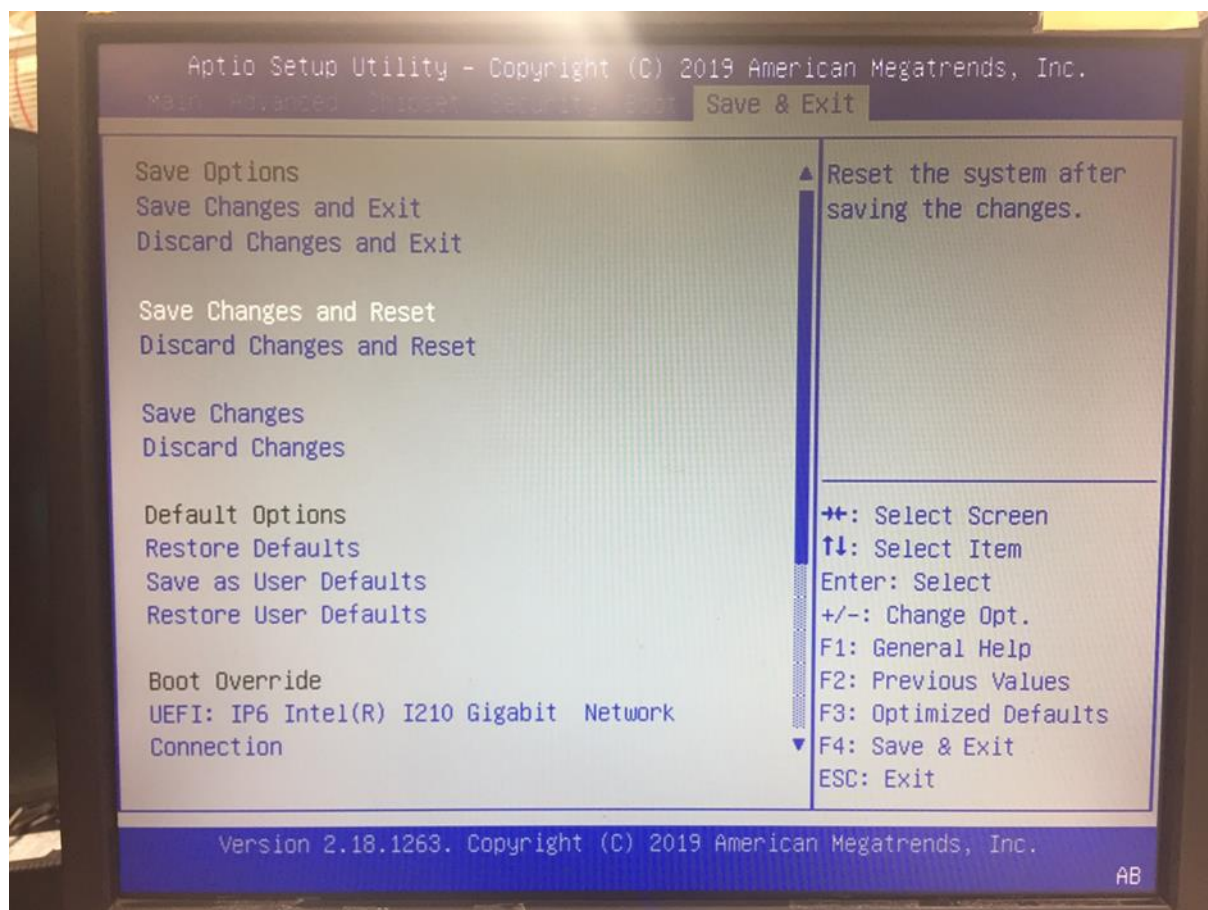

Please make sure the Auto Installation method as below:

- Auto installation of Legacy base on Window 10 (64 bit).
- Auto installation of Legacy base on Window 10 (32 bit).
- Auto installation of UEFI base on Window 10 by IPv4 (64 bit).
- Auto installation of UEFI base on Window 10 by IPv6 (64 bit).

- Auto installation of Legacy base on Window 10 (64 bit).

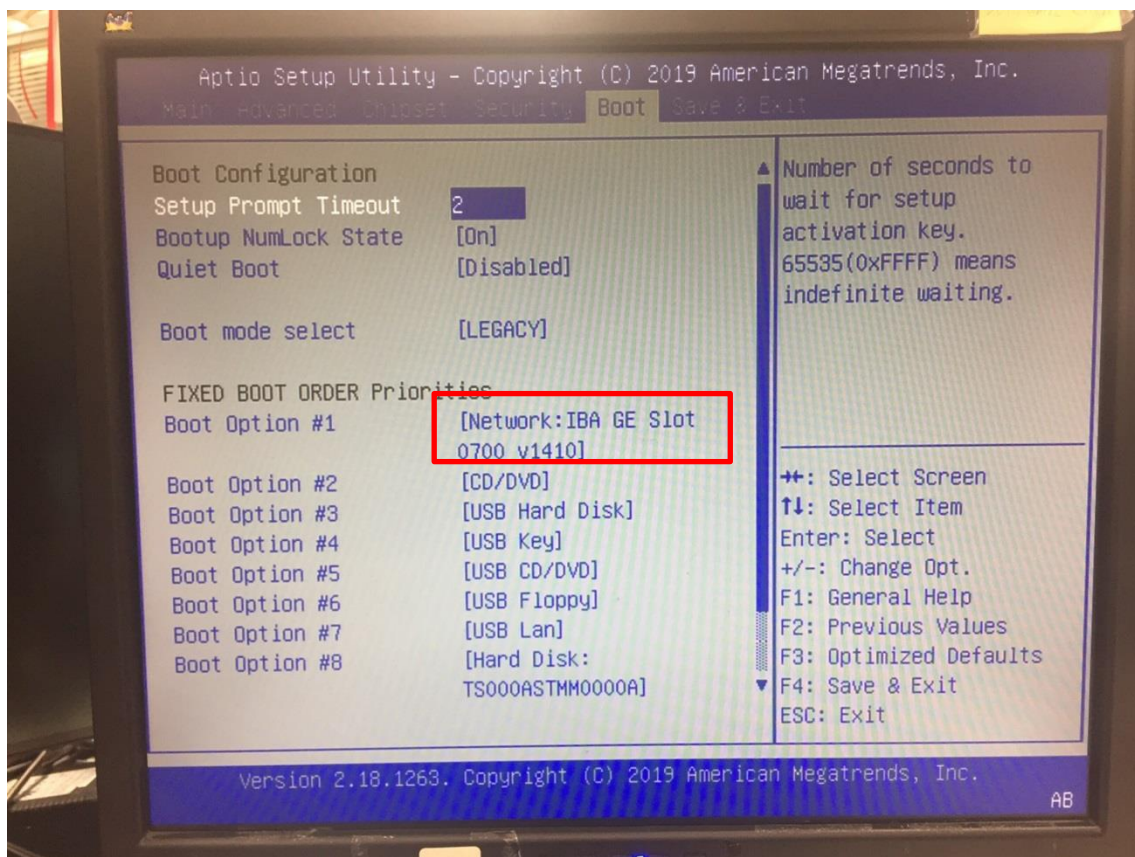

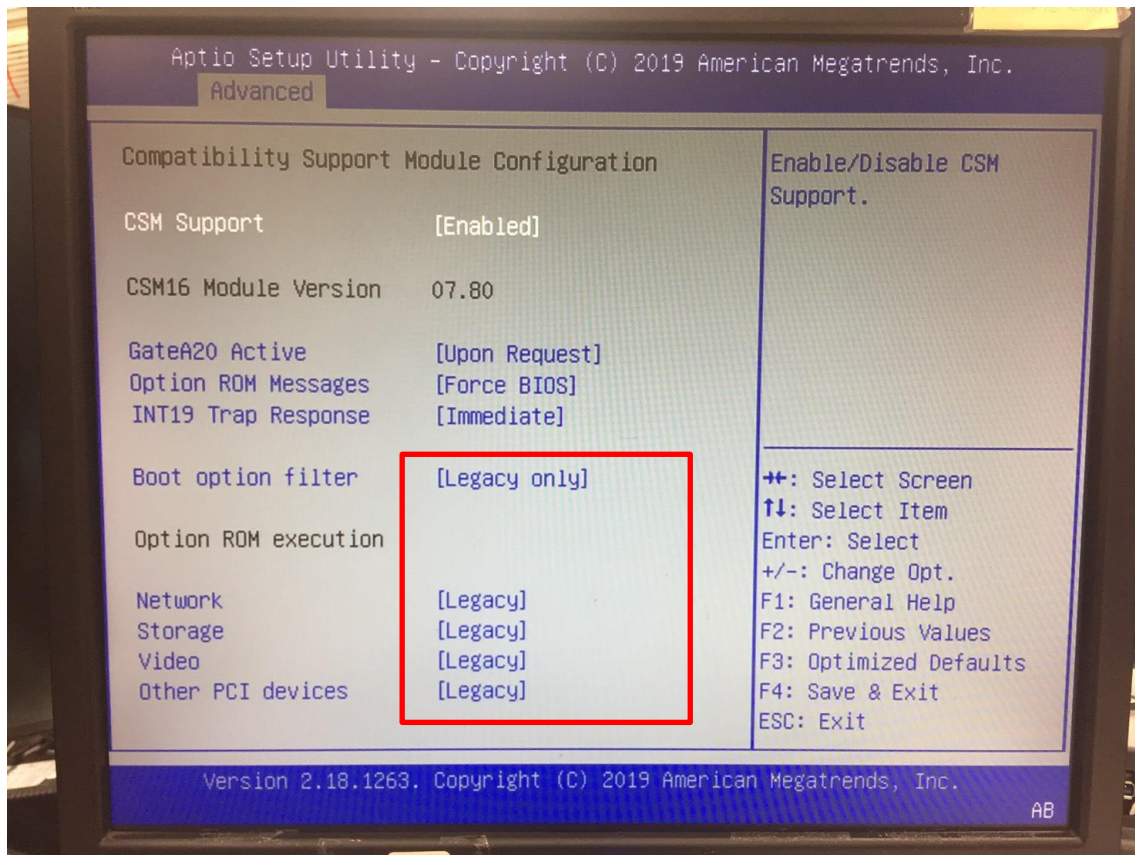

Make sure the all of BIOS setting:

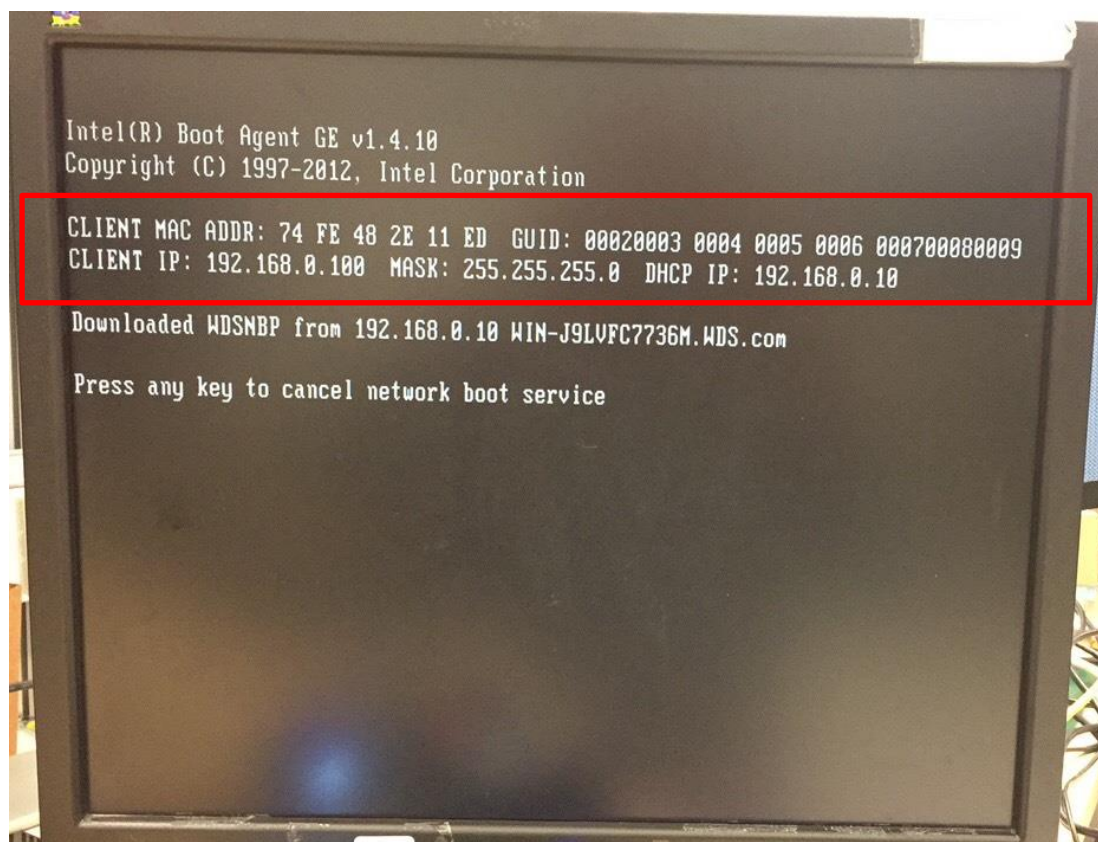

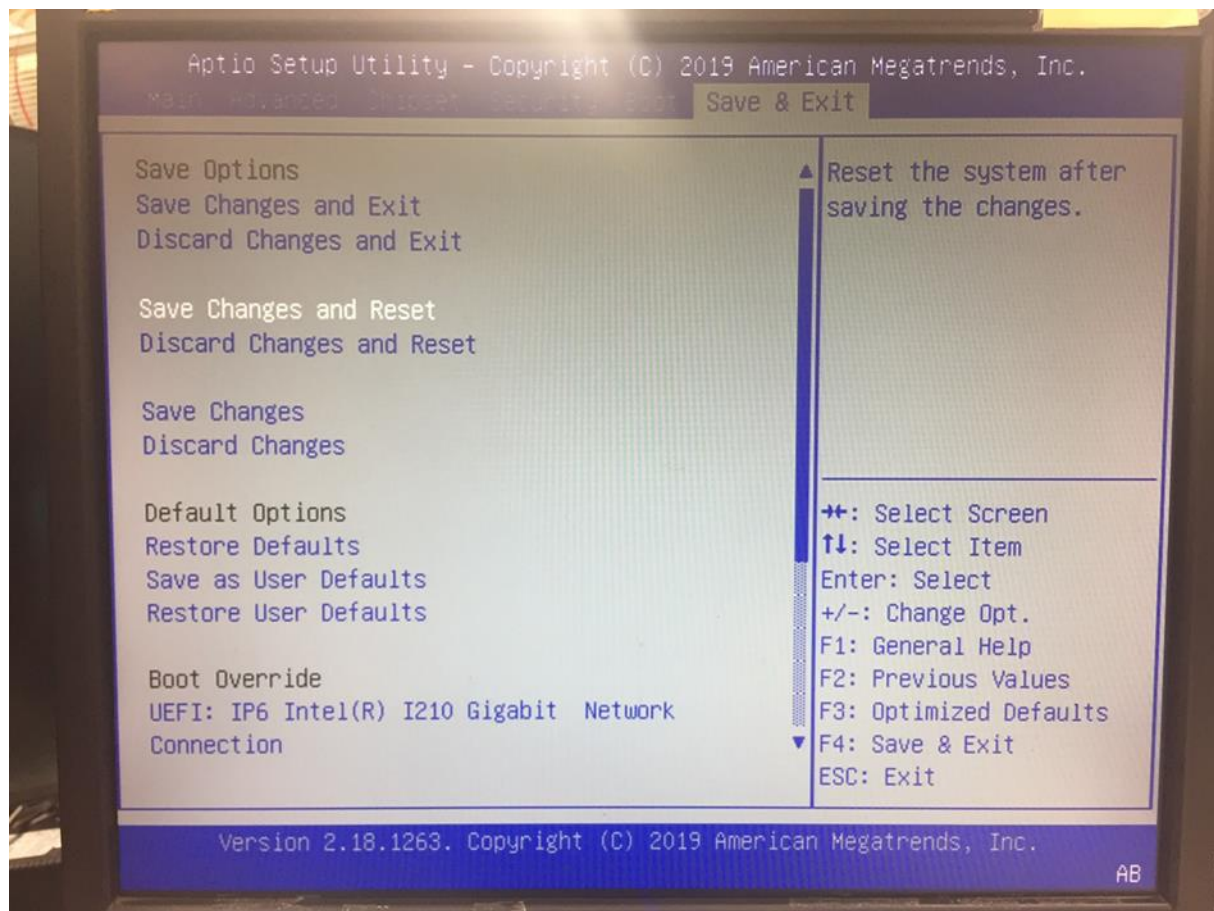

- Auto installation of Legacy base on Window 10 (32 bit).

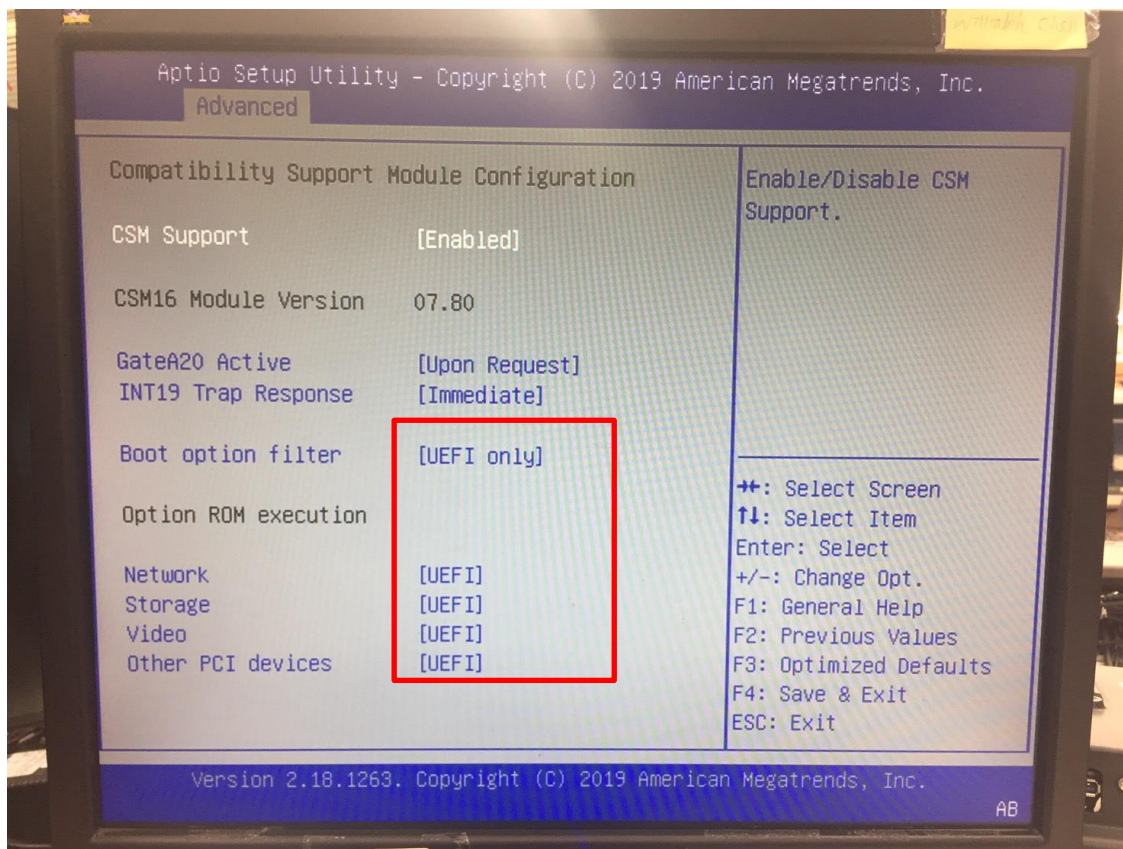

Make sure the all of BIOS setting:

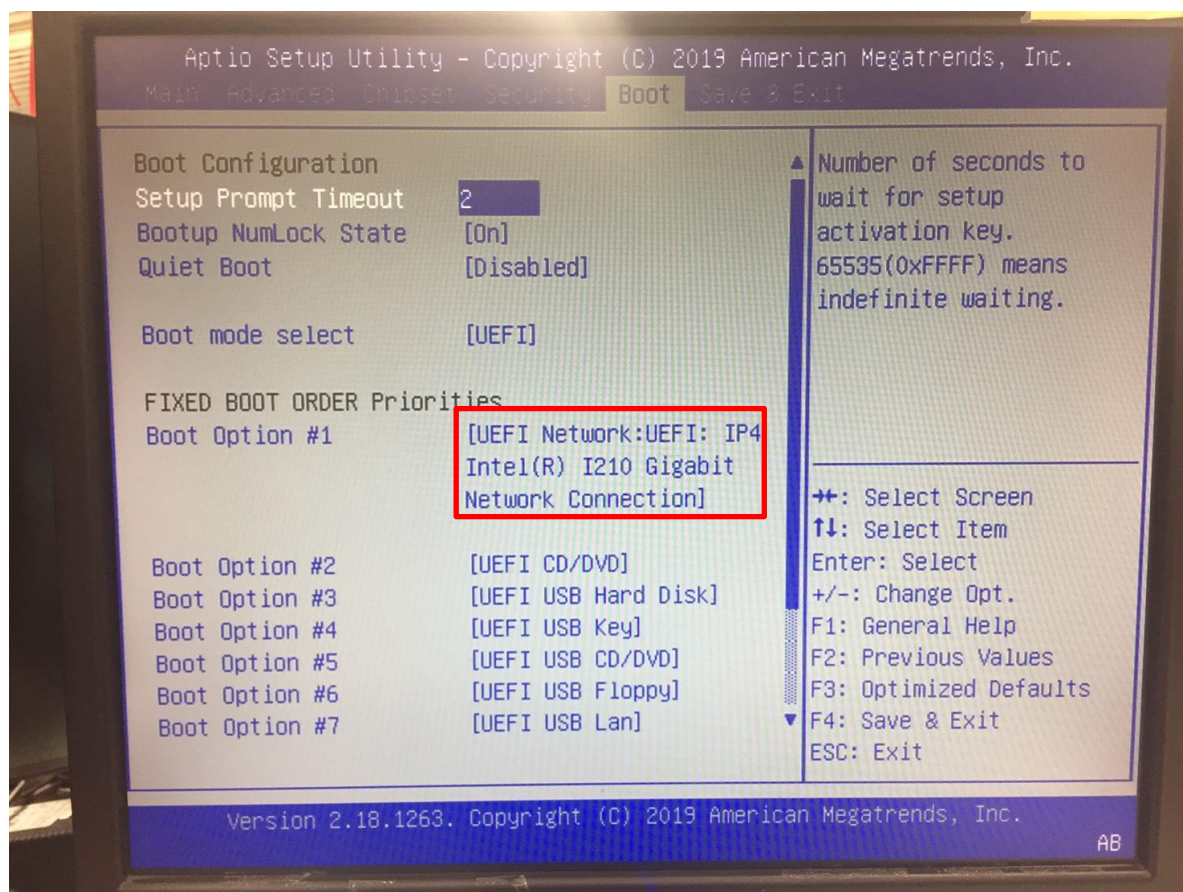

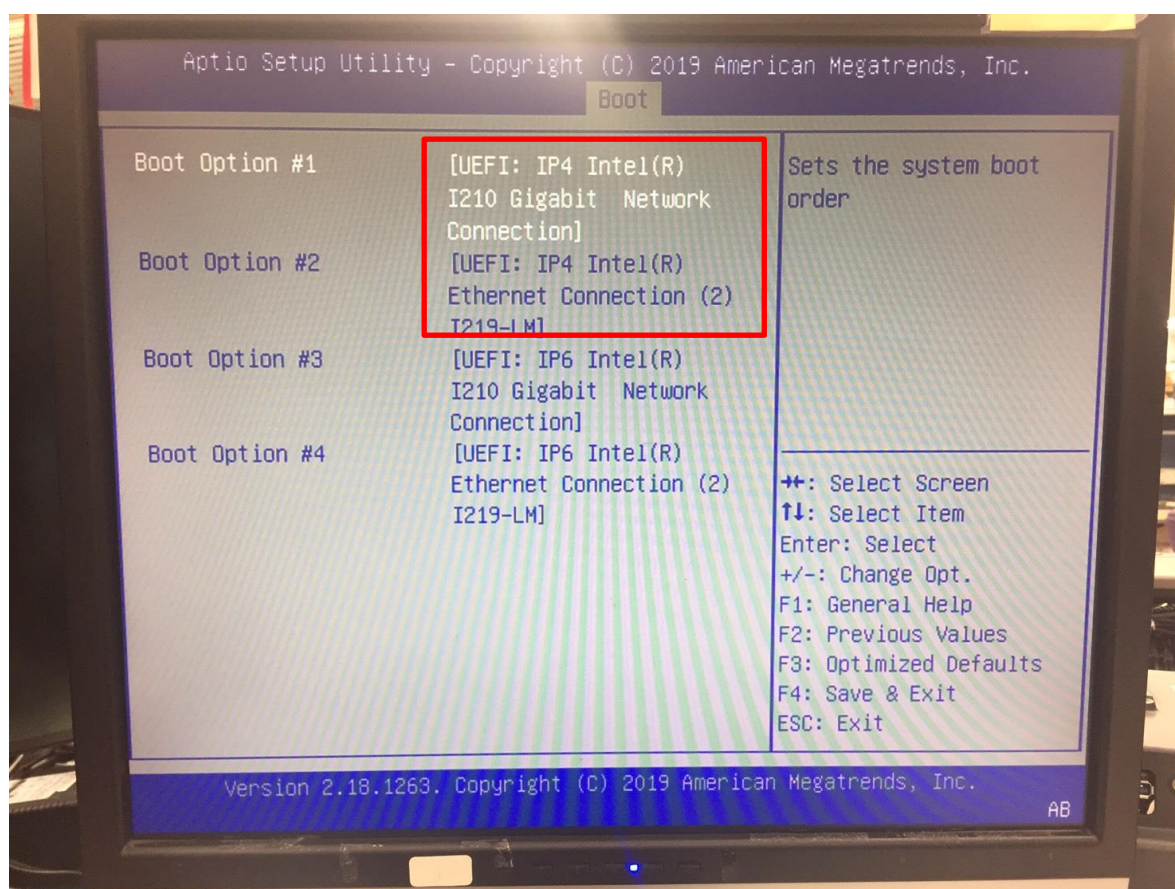

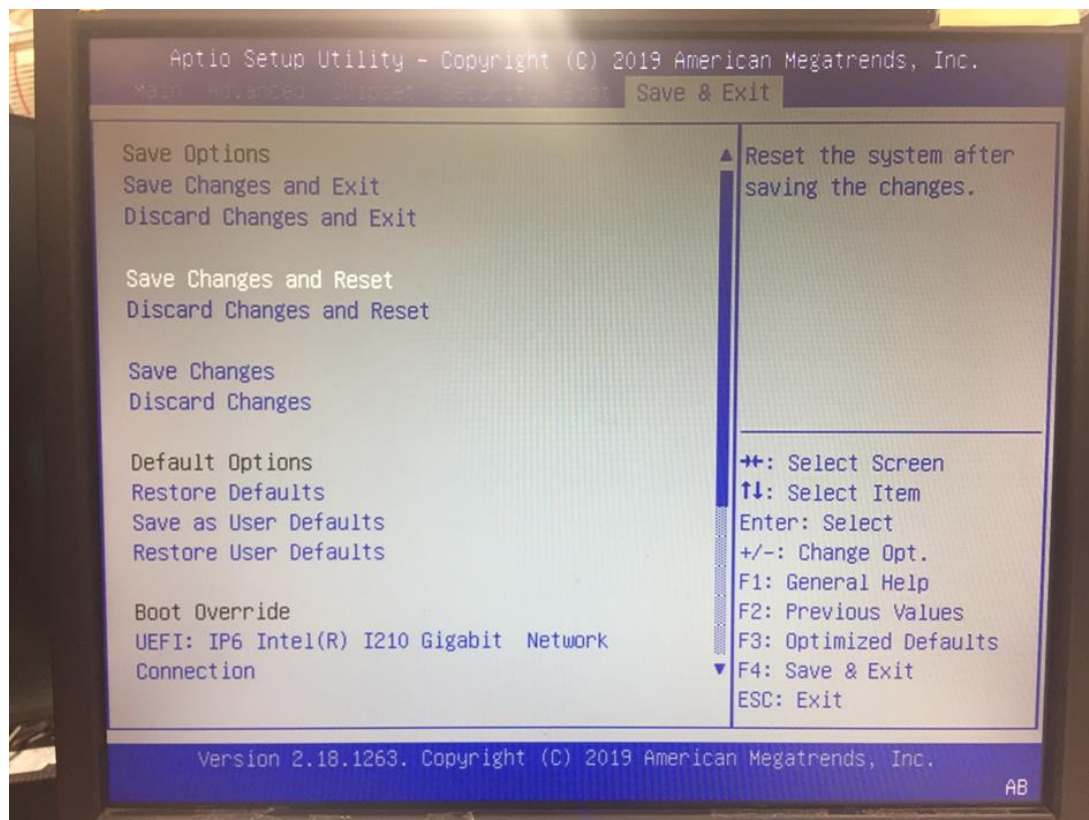

- Auto installation of UEFI base on Window 10 by IPv4 (64 bit).

Make sure the all of BIOS setting:

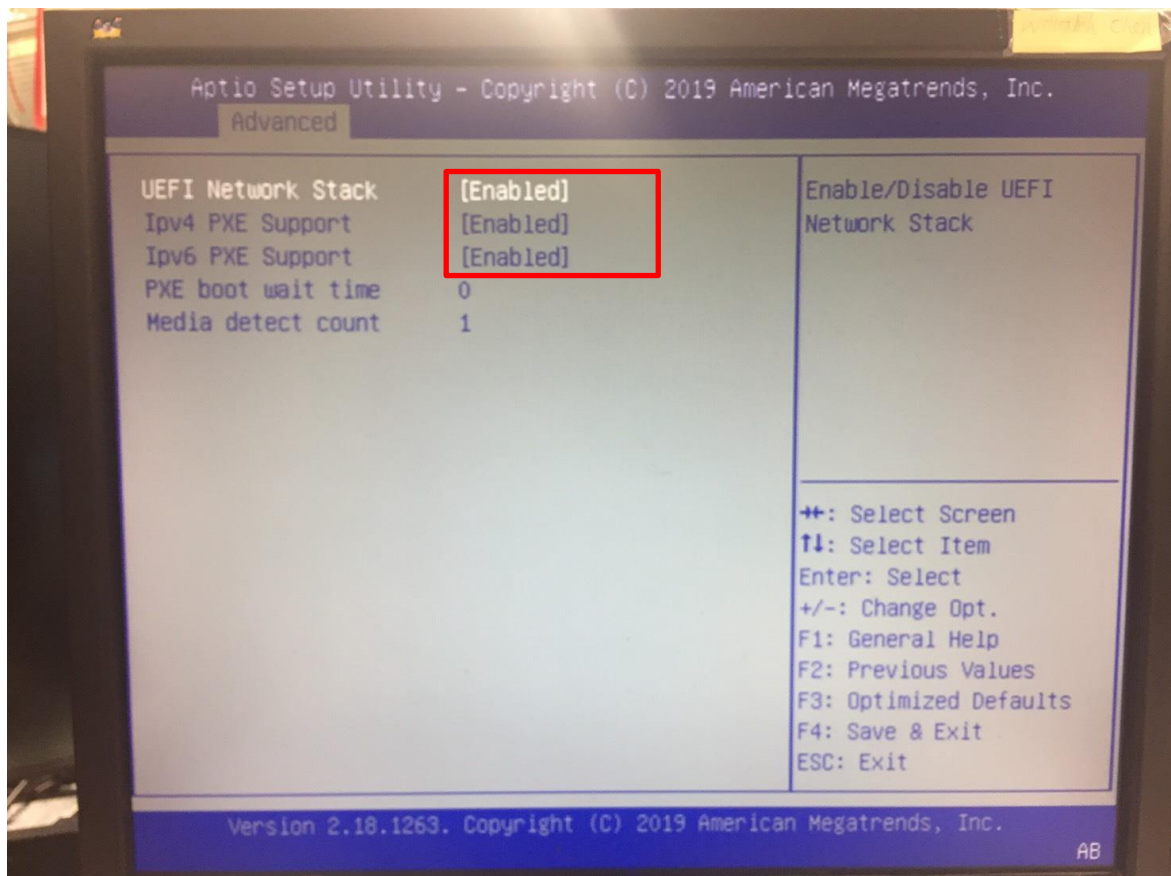

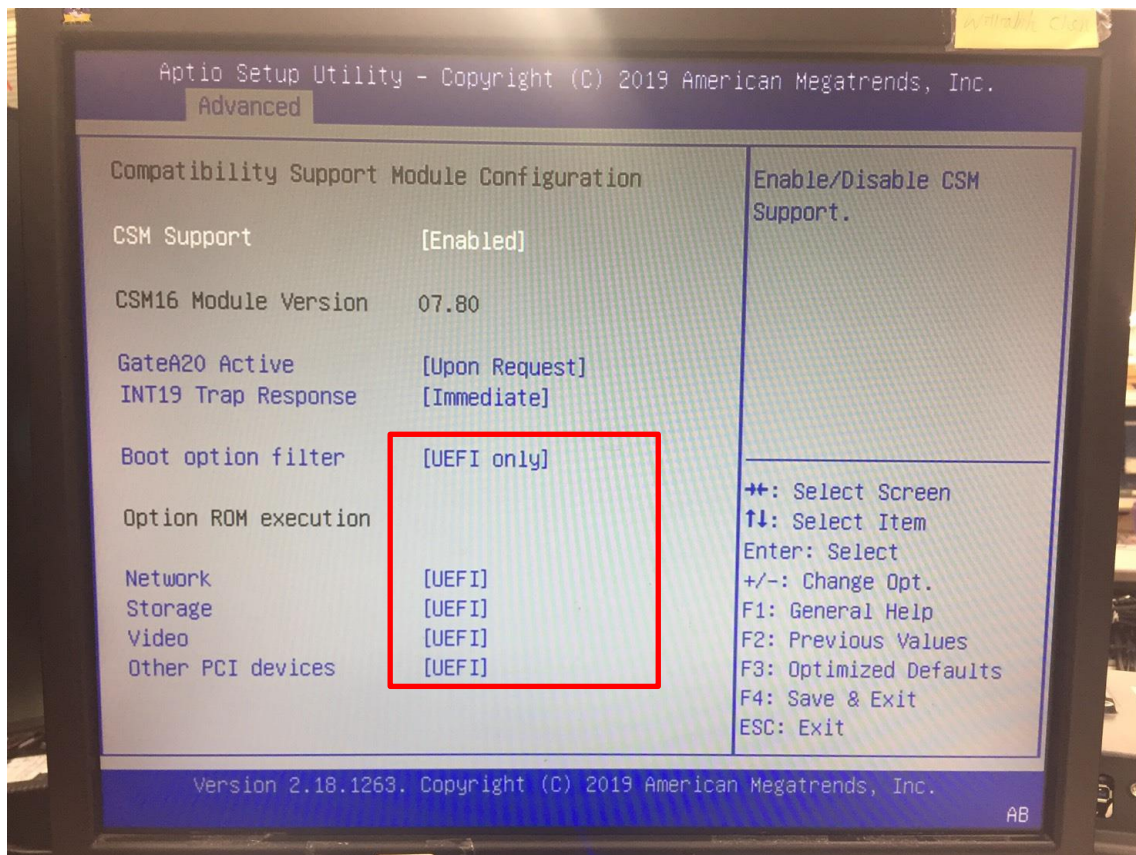

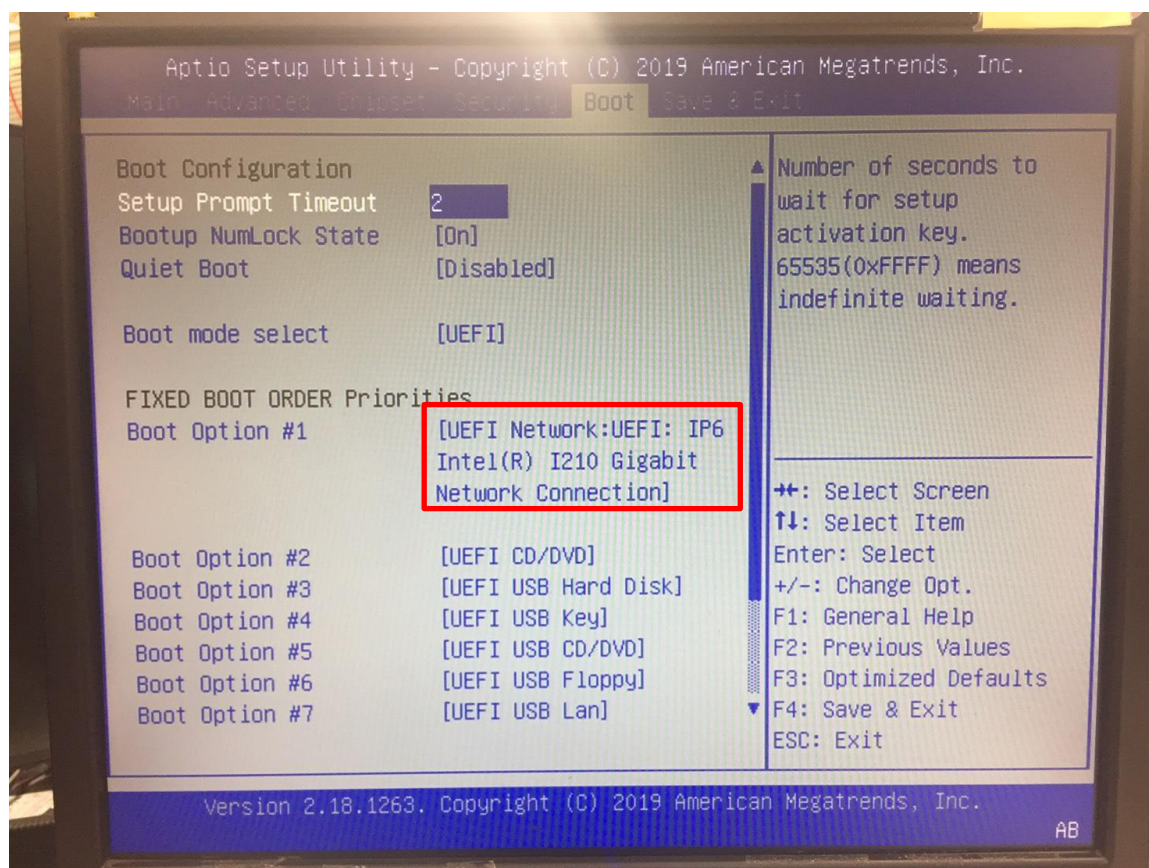

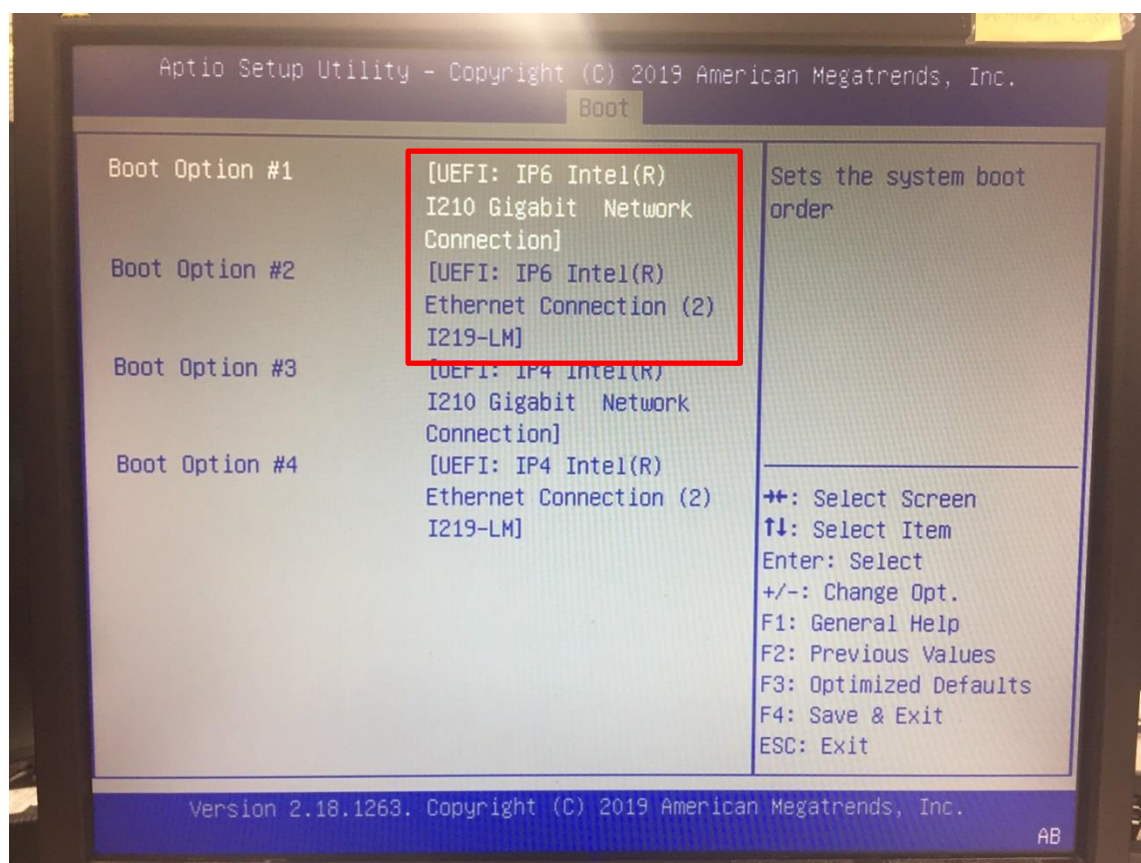

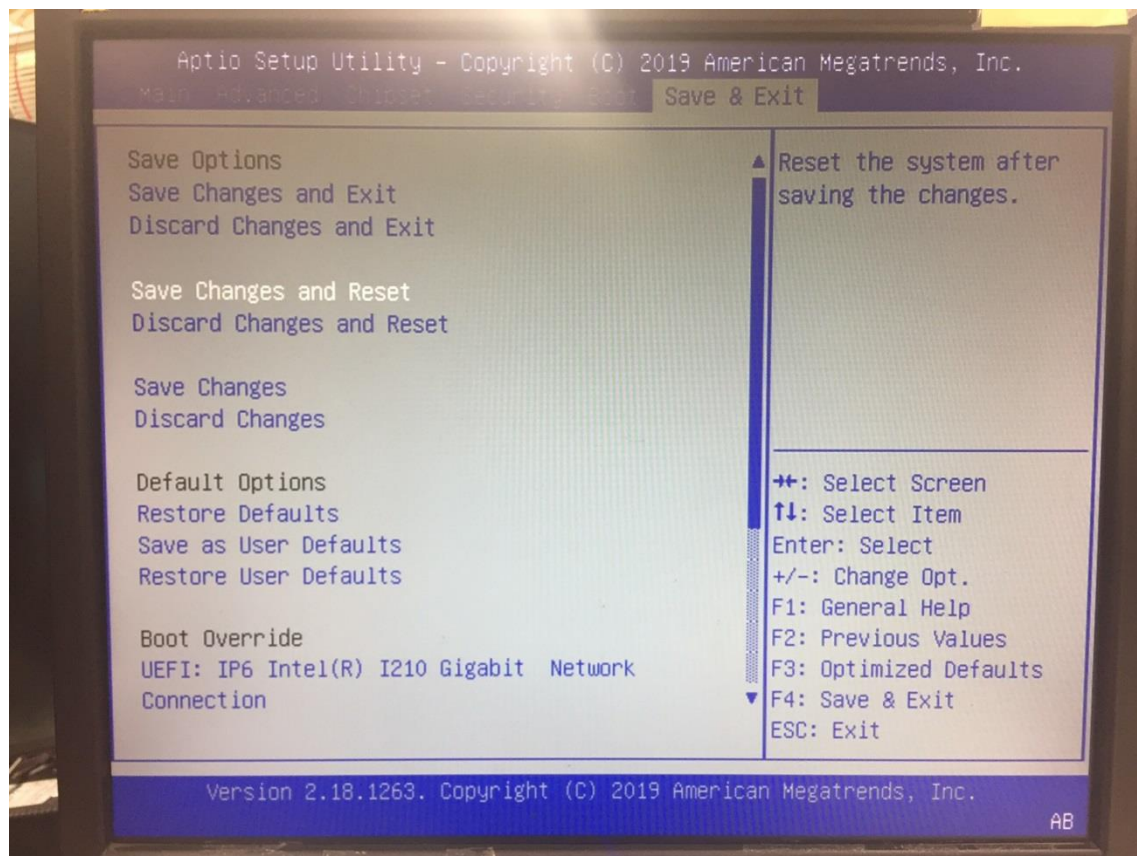

- Auto installation of UEFI base on Window 10 by IPv6 (64 bit).

Make sure the all of BIOS setting:

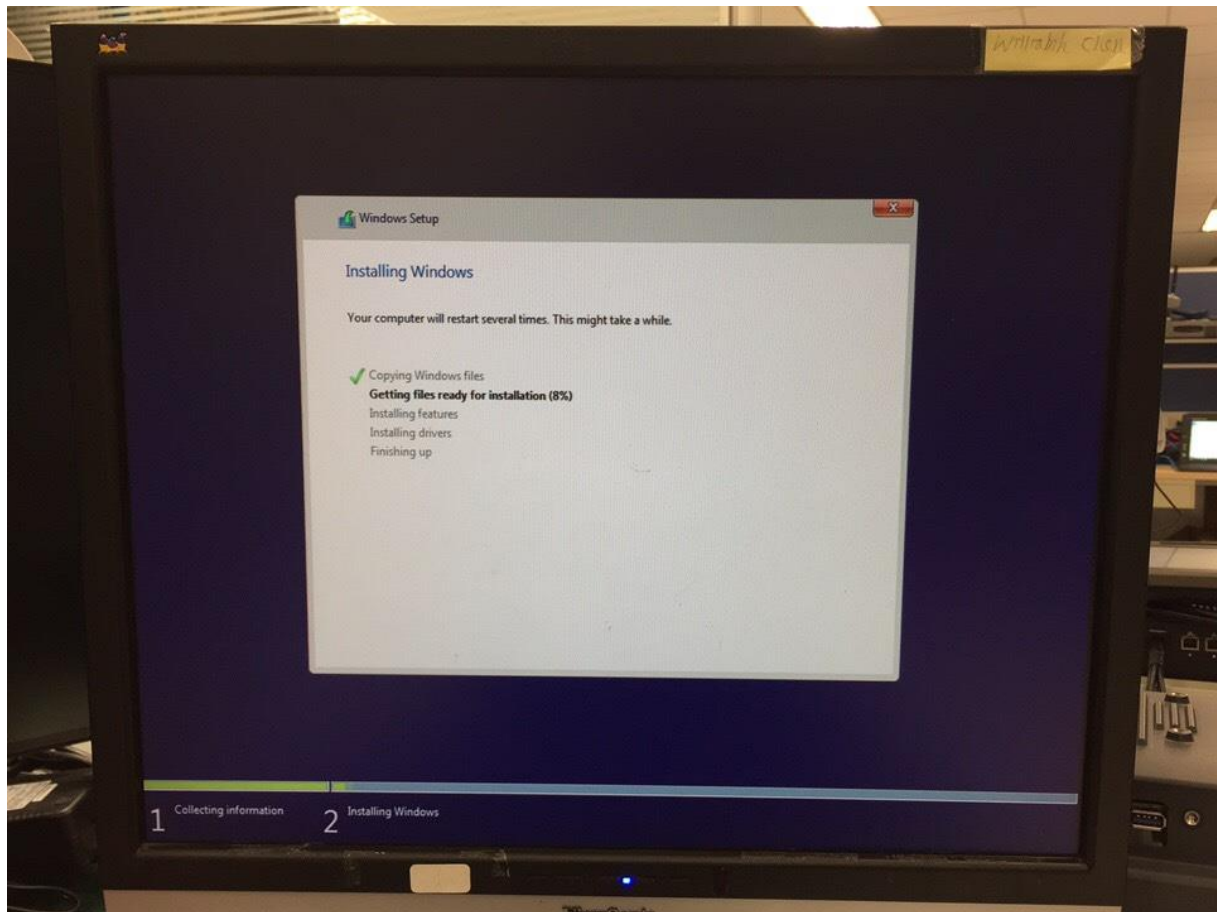

Step 3:

Auto Installation is executing. (Don't touch anything)
